

Attorney Docket No. P113-US

REMARKS

Claims 1-64 and 66-133 are pending. Of the pending claims, claims 23-62 and 75-126 stand withdrawn due to unselected invention. Claims 1-22, 63, 64, and 66-74 are allowed. Claim 127 is rejected; and claims 128-133 depending from claim 127 are objected to.

With amendment, claims 23-62 and 75-126 are canceled so as to place the instant patent application into condition for allowance. Claim 127 is amended to incorporate the subject matter set forth in allowable claim 129; and claim 129 is canceled accordingly.

Cancellation of the pending claims in this amendment is made solely for the purpose of placing the instant application into condition for allowance. The subject matter of the canceled claims will be pursued for patents in a continuation application filed herewith.

It is believed that this application is in condition for allowance. Favorable consideration and prompt allowance are respectfully requested. In the event any fees are required in connection with this paper, please charge our Deposit Account No. 501516.

Respectfully submitted,
